NEWSLETTER

Well its been a busy old week, last week saw the release of my brand new single 'Everyone Wins' which is the follow up to the fantastic 'When I'm With You' and is also an original track written by David Wilks and released on DWP Records and Odessa Mama Records.

There has been some fantastic support from radio stations including Good Music Radio and Amazing Radio and it's now on rotation so listen out.

Also some excellent news that the track is the top trending track on Digital DJ Pool so thank you also to all the DJ's out there supporting me.
